

VoteChain Project & Team Outing

Budget Report

Principal Investigator: Achieve Paudel

Research Grant: Universal Engineering and Science College RGU 2081/82

Total Funding Approved: NPR 20,000

1. Project Budget Estimate

Item	Min Cost (NPR)	Max Cost (NPR)	Description
Fingerprint Sensor	6,000	8,000	Hardware component for biometric verification
Tools & Software	500	1,000	Software licenses, development tools
Cloud Services	1,500	2,000	Hosting and cloud infrastructure
Documentation	1,500	2,000	Project reports, manuals, and presentations
Miscellaneous (Project)	500	1,000	Unexpected project expenses
Subtotal (Project)	10,000	14,000	

2. Team Outing Budget Estimate (5 Members, 2 Days & 1 Night)

Item	Min Cost (NPR)	Max Cost (NPR)	Description
Transport	1,500	2,000	Round-trip local transport to Pumikot
Accommodation	2,000	3,000	Budget lodging for 5 members

Food & Drinks	2,000	3,000	Meals for 2 days
Miscellaneous (Outing)	500	1,000	Entry fees, snacks, small activities
Subtotal (Outing)	6,000	9,000	

3. Combined Budget Summary

Description	Min Cost (NPR)	Max Cost (NPR)
Project Costs	10,000	14,000
Outing Costs	6,000	9,000
Grand Total	16,000	23,000

4. Funding & Balance

Description	Amount (NPR)
Total Funding	20,000
Minimum Estimated Cost	16,000
Maximum Estimated Cost	23,000
Balance if Min Cost	4,000
Over Budget if Max Cost	3,000

5. Notes & Recommendations

- The budget estimates show that the project and outing can be comfortably completed within the funding if costs are kept near the minimum estimates.
- Careful monitoring and cost-saving measures are recommended to avoid exceeding the funding.
- Outing cost per member ranges from NPR 1,200 to NPR 1,800.
- The outing is planned as a token of appreciation and team bonding after significant project milestones.
